Dear Tom:

Enclosed are two checks (#1472 & #1474) totaling \$2,000.00 to pay off in full what we owe you for your work completed the end of December 1999. Per our agreement, this was the amount due for the prepping of the walls and doors.

We greatly appreciate the excellent and professional work you did on our new house and we are very happy with the way the walls turned out. Now, my husband and I are having fun painting one room at a time in the colors we have chosen and your crew's hard work has made this task easy for us. I dread to think what we would have gone through had we attempted to remove all the wallpaper in this house ourselves!

Thanks again for your willingness to do business with us and you will be the first and only person we call for any additional work we may want to have done.

Regards,

Pascale Muenz-Rodriguez
