Dear Mr. Miller,

My husband and I wanted to take this opportunity to thank you and "your team" for the wonderful job that everyone did while working in our home in Washington Crossing. As you recall, some of the walls and woodwork were in poor shape and needed a lot of careful attention.

Your son and the workmen with him did a very good job removing the remaining wallpaper and cleaning the walls. They were very efficient- finishing their work in just half a day. Al Wilson and Mark Lafty did an excellent job prepping the walls and woodwork for painting and wallpapering. They made the damaged walls look like new! We really appreciate the care and workmanship shown by you and your employees and look forward to working with you again.

Sincerely,
Sharon Hunter
