Dear Tom,

I wanted to thank you for the superb painting job you recently completed at my home in Bala Cynwyd. I was very impressed with the professional nature of all your workers and the level of detail that they maintained throughout the job. I found everyone to be most reliable and trustworthy, and I was comfortable leaving them to work in my home. I was also most impressed with your quick response and flexibility in working with and around the other contractors on the site at that time.

If you ever have any clients who would like a referral regarding your business, please feel free to give them my name and telephone number. I would highly recommend you to anyone looking for an honest and dependable painting company.

Sincerely,
